## Session No 9: 'The Cost of Following'

IN  
*Introduction*

**DISCUSSION:** Ask people to share their experiences of either recruiting or being recruited for a job or role.

What are the most successful techniques?

UP  
*Explore*

- Jesus approach to Kingdom recruiting seems rather harsh
- READ Luke 9: 57-62 altogether
- Then split into 3 mini-groups to examine one of these 3 encounters each. Explore what key lessons Jesus is getting at and share back with whole Lifegroup
- These make for very uncomfortable reading.
- So why does Jesus 'raise the bar' for being a follower?

OUT  
*Impact*

Authentic Christians need to continually evaluate.....

- Their **earthly** security
- Their **earthly** ties
- Their **earthly** distractions
- Pray for each other in these areas
